

The figure displays word offsets for four models: 'w/o', 'w/ 100', 'w/ 200', and 'w/ 300'. The x-axis represents the 'Word Offset' from 0 to 200,000. The y-axis lists the models. Each model's data is represented by a horizontal bar with colored vertical ticks indicating specific word offsets. The 'w/o' model has the most ticks, while 'w/ 300' has the fewest.
